

Chairman Powell: I implore you to wake up and remember the individual citizens who make up this country and who work hard to further its continued technological and social progress. Do not let the Bell "Wolves" own the chicken coop you already allow them to dominate. Competition requires competitors to be alive. If the FCC lifts the dominant classification from the Local Exchange Carriers (Bells), it will limit competition to a duopoly consisting of a bell and a cable company. Competition in the American Telecom marketplace will not be incentivized, it will be torpedoed. ISPs and CLECs will die, consumers will be deprived of choice and the FCC will be wholly to blame for the travesty. DO NOT DO IT. Chairman Powell: Please do not sell out to BIG BUSINESS, at the expense of competition and the small businesses of our country.
